Blah-blah, we are talking about networks, maybe a quote would be useful ⟨1⟩. In addition, we mention the idea of packets: they are sometimes called datagrams ⟨2⟩. And, networks again ⟨1⟩.

Blah-blah, we are talking about networks, maybe a quote would be useful ⟨1⟩. In addition, we mention the idea of packets: they are sometimes called datagrams ⟨2⟩. Aaaaand networks again ⟨1⟩. But this time, it's also about addressing ⟨3⟩.

2 Appendix

- 1: Quote about networks.
- 2: Quote about datagram.
- 3: Quote about addressing.
